For Week of March 22nd, 2010

Don't miss an opportunity to promote your business! The Chamber of Commerce is creating folders to be distributed to new and renewing members. They will include information about Chamber membership & benefits, a welcome letter, a window cling, local information and more. There will be 14 advertising slots available on the inside back cover, for only \$75 each, and 4 quarter page ads available on the back, for \$100 each. They will be available on a first come, first served basis. Anyone interested should contact the Chamber office as soon as possible. We look to have these ready for distribution at Business Celebration Day in September.
